

Our grade 1/2 classes spent a day at Hardy Falls to learn about ntytyix

October 1

The Sunflower Seed

School Plan: Literacy

Every Child Matters

Focus: sx^wux^wuya?

Each month, we focus on a different core competency. Classrooms design learning around the theme of this competency and the animal that represents it. October's focus is sx^wux^wuya? (ant) and the competencies of communication and collaboration. Ant teaches us to work well in groups by cooperating, sharing and listening.

September 30

As a school we acknowledged National Day for Truth and Reconciliation on September 29. We listened to stories and messages from members of our community at SESS. Classes have been learning about residential schools and what the

orange shirt represents through age-level appropriate activities.

Attendance Matters

We want our students to come to school every day. When a student is absent, they miss important learning with their class, and may also miss time with our Learner Support Teacher or other district services. Please aim to plan appointments and other activities outside of school time.

Harvest Week

During the week of October 6-10, our hallways will fill with the largest, tiniest and most creative looking edibles. Our Fruit & Vegetable Contest starts Oct 6 with judging happening after school Oct 9. We hope to see all families out at our

Harvest Gathering at the Grist Mill on Oct 10!

Heart Garden

Ms O created a display of projects saved from past students of CPS. This year, students created new projects as they learned and thought about the meaning of Truth and Reconciliation. At Cawston Primary, we honour Truth and Reconciliation in our daily work.

Coming Up:

Oct 6: PAC meeting 5:30, Library

Oct 6-9: Fruit & Vegetable contest
